Application for 25 acres brickfields from Messrs Nicholas and Hubback.

Referring to your

No.

Sir,

I have the honour to report that I have received from Messrs Nicholas & Hubback an application for a temporary license for purposes of brickmaking for 25 acres of land situated about 2 miles from Kajang on the Reko Road.

2. Messrs Nicholas & Hubback in their application state that they have secured the contract for supplying bricks to the Railway Department for the Kajang section of the Seremban railway extension, and add that the Perak Government has granted to them land for a similar purpose at 35/- an acre, giving to them the timber on the land for fuel.

3. I recommend that the Resident, in accordance with Land Rule 18, sanction the issue of a temporary license for 5 years, or until the contract for the supply of bricks to the Railway Department by Messrs Nicholas & Hubback be terminated, at a quit rent of 25/- an acre a year, the license to include the right to use in brick-kilns on the land, but not remove from the land all the timber standing thereon. This course appears to be permissible under the land enactment & rules.

4. I enclose a tracing shewing the position of the land and the surrounding estates.

I have the honour to be
